

INK COMPATIBILITY

3735 GFIOp is an outdoor durable poster paper with the perfect combination of durability, performance, and economy. The latex-saturated base paper creates a durable foundation for a range of indoor and outdoor applications. GFIOp features a receptive coating for solvent, UV cure, and latex inkjet that promotes ink adhesion and resists scratching.

This award-winning paper meets the demanding print and durability requirements for high-volume graphics. GFIOp is available in both 6 mil (GFIOp140) and 9 mil (GFIOp212), providing flexibility for various uses.
